Science Sermon

The nature of crime—of all evil—to react upon itself to its own undoing is illustrated in the Lesson-Sermon "Everlasting Punishment" to be given at the First Church of Christ Scientist, 218 st. at Manual ave., Sunday morning at 11 o'clock.

Dr. Earl D. Barnum, minister of the Church of Religious Science at Ruby street and Catalina avenue, Redondo Beach, announces that his subject for this coming Sunday, May 5, will be, "Your Wall of Jerico."
Sunday services of the church and the Metateens will be held concurrently at 11 a.m. The children's church services will begin seven minutes before 11 a.m. A nursery for the infants and the younger children is provided and is under the supervision of a registered nurse.
A half-hour meditation period precedes the church services, with organ music by the church organist, Jean Rhodes.
Inspiration hour services are held on Wednesdays at 1 p.m. Dr. Barnum's messages for the month of May will include the different phases of well being. The public is invited to attend all church activities.
